Managing Partner Jeny Maier appeared on the Capitol Forum's ABA Spring 2025 Interview Series to discuss the antitrust M&A enforcement landscape under the new Trump administration.

The interview covered a wide range of notable topics, including:

- Takeaways from the first FTC merger challenge under the new administration and the return to mainstream theories of harm;
- The new administration's openness to merger remedies and what kinds of remedies may be accepted;
- The questions clients are asking most often, especially regarding the new merger guidelines and HSR form, and whether the new administration is open to changes;
- Whether the antitrust environment for M&A deals in the healthcare and tech sectors will change.
