On April 5, Axinn partner Dan Oakes spoke on a panel entitled, “When Will We See the Next Blockbuster Cartel Again?” at the GCR Live: Cartels 2022 conference in Washington, D.C.

This panel answered questions such as:

- How has the leniency/immunity calculus changed?
- Are there some clear “go,” “no go” signposts for firms and counsel in this new world?
- What are the differences and similarities in various jurisdictions?
- What can, or should, enforcers do?
