

# Axinn Represents Dell in \$60 Billion Acquisition of EMC

NEWS | LESS THAN 1 MIN READ

September 7, 2016

Axinn is pleased to have served as global coordinating antitrust counsel for Dell Inc. in its successful \$60 billion acquisition of EMC Corp., the largest technology merger in history. Axinn helped Dell secure unconditional clearance in 18 jurisdictions including, notably, the U.S., European Union, Brazil and China. Axinn's team was led by partners John Harkrider, Michael Keeley, Daniel Bitton and Russell Steinthal with invaluable assistance from associates Kenina Lee, Michael O'Mara and Kail Jethmalani. Keeley led Axinn's efforts in China to obtain clearance from MOFCOM, whose approval was the final condition to closing.
