

Axinn Sponsors Genomics Lab at Connecticut Science Center

A decorative graphic on the right side of the page features a light blue and white grid pattern that curves and flows downwards, resembling a stylized DNA helix or a modern architectural structure.

April 2, 2018

Axinn is proud to announce its sponsorship of the Connecticut Science Center's new Genomics Laboratory, a space where students can explore career pathways in genomics, biosciences and health care. The Connecticut Science Center is a cutting-edge institution dedicated to inspiring youth to learn about and pursue interests in the life sciences. Axinn is excited to support the effort to increase awareness about genomics and to engage Connecticut's next generation of innovators.
