Six articles authored or co-authored by Axinn lawyers have been nominated for the Concurrences 2021 Antitrust Writing Awards. The aim of these awards is to promote competition scholarship and to contribute to competition advocacy, and Axinn's authors have been recognized numerous times in previous years.

A jury of government regulators, academics and business leaders, along with readers, vote to choose the winning articles. To read and vote for Axinn's nominated articles, please view the links below:
