SABA North America Corporate Counsel Retreat 2024

January 28-30 | Las Vegas

We are thrilled to announce our continued support of the South Asian Bar Association of North America's Corporate Counsel Retreat. This year's event will take place January 28-30 in Las Vegas, bringing together SABA's corporate counsel members and their colleagues for a weekend of professional development, networking, mentoring, and team building.

SABA aims to strengthen the South Asian legal community with a recognized and trusted forum for professional growth. The organization also promotes civil rights and access to justice for the South Asian community.

SABA's events are always engaging, and I am proud to be associated with an organization that's dedicated to the growth of the South Asian legal community," said partner Kail Jethmalani. "I am excited to speak at the Corporate Counsel Retreat for the second year in a row and connect with fellow attendees."
