On December 4, Axinn partner [Jeannine Sano](#) will speak on the “Tracking Litigation Trends” panel at IAM Connect’s Patent Policy and Litigation Conference, being held virtually December 3-4.

Panelists will discuss:

- Venue strategies in the U.S. District Court for the Eastern District of Texas;
- Western District of Texas random assignment order’s effect on outcomes and;
- Litigation funding disclosure and the road ahead for patentees and patent challengers.
