Partner [James K. Hunsberger](#) and Liang Ding of DeHeng Law Offices will provide an in-depth analysis of the latest developments and trends in M&A antitrust enforcement across various jurisdictions. Speakers will discuss key policy changes, significant enforcement actions, and regulatory updates under the current U.S. administration and forecast potential shifts under the next U.S. administration. They will also delve into global M&A antitrust dynamics, including new regulations in China, the evolving role of subsidies, and the impact of cross-border cooperation among antitrust authorities.

Key topics include:

- U.S. M&A Antitrust Under the Biden Administration and the Next Administration
- Global Developments in M&A Antitrust Enforcement
- China's New Regulations Against Killer Acquisitions
- Regulating the Issue of Subsidies
- Implications of Cross-Border Cooperation in M&A Reviews
- Practical Compliance Strategies and Risk Management

Speakers:

James K. Hunsberger, Partner, Antitrust
