On March 26, Axinn partner Michael O'Mara will speak on the Digital Markets: Regulation, Enforcement & New Competition Law Concerns” panel at CompLaw’s *Nordic Conference*, being held March 25-26 in Stockholm, Sweden.

Panelists will discuss:

- Where we are with DMA;
- How the courts are interpreting it;
- If DMA is the right enforcement tool or a product of failed dominance enforcement;
- The role of private enforcement in Digital Markets;
- The concerns of AI and competition law and;
- Cloud services studies.
