

Who's Blocking Me? Competition Law Issues With Healthcare Information Blocking

PODCAST | LESS THAN 1 MIN READ

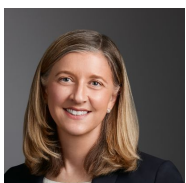

February 17, 2025

When it comes to your health, having digitized information available for seamless sharing across multiple healthcare providers and other stakeholders -- including patients themselves -- is a clear benefit. But can certain actors disrupt the goal of interoperability? On this episode of the American Bar Association's podcast *Our Curious Amalgam*, managing partner [Jeny Maier](#) joins David Schwartz, a healthcare-focused antitrust lawyer, and Matt Tabas, partner at Arnold & Porter Kaye Scholer, to discuss the challenge of healthcare information blocking and what avenues are available to enforcers to address this behavior.
